

France, ENSAM, 19.03.2020

Dear Partners,

We are contacting you to inform you of the latest news about the measures taken by ENSAM in regard of COVID-19. I hope you are well despite this crisis that affects all of us around the globe.

This message is also sent to the coordinators named by your students – please forward the message to the correct person, if needed.

With the international aim of containing the spread of COVID-19 and following the recommendations of French Health authorities and the Government, ENSAM Montpellier has decided to suspend all in-presence activities and classes in its campus as of Monday March 16<sup>th</sup> until further notice.

Therefore, ENSAM will remain closed for all students and teaching and research as well as administrative staff from that date on.

Local and visiting students will be able to continue their studies online from their homes. Administrative staff at the International Relations Office will continue answering your queries via email (only) as always. ENSAM's Direction has begun to put in place, coordinated with its professors a pedagogical activity plan, in order to keep the semester going on for all students.

In any case, if you or your students have any questions regarding the situation at Montpellier or at ENSAM, please do not hesitate to contact us. We are here for the students and will do our best in assisting them in this evolving situation.

The whole ENSAM Administration team is there to answer all your queries:
